Geraldo Kranenburg

Junior Data analyst

Dedicated Project Manager with six years of experience managing linguistic tasks for foreign and local accounts, coordinating between translators and internal teams and ensure seamless project execution. Currently pursuing a PhD degree in International Economics, where I apply advanced data analysis techniques in my coursework and thesis research. Eager to transition into a data analysis role, I have completed the Google Advanced Data Analytics Certificate and IBM's Databases and SQL for Data Science course to strengthen my technical foundation. My academic and professional background has equipped me with key analytical skills and strong data science foundations including Data Analysis using Python, Stata, R and Excel, Machine Learning basics, SQL and data visualization with Tableau. Explore my portfolio at <https://github.com/gery117> for a full view of my projects.

Experience

2019 - 2024

Langlobal-Tech 琅科游戏本地化, Beijing, China
